

Important Announcement for The Christian Community in Southeast Wisconsin Affiliate of The Chicago Christian Community.

We are excited to announce that The Christian Community in Southeast Wisconsin will be moving back to East Troy. At the invitation of Mark and Pauline McKibben, we will meet in the Studio at Uriel Pharmacy (N8464 Sterman Road), starting on Saturday, September 2nd. We are truly grateful to Unity Center in Milwaukee for providing us with a temporary home for the past two years. With gratitude, we step forward into this new phase of our affiliate community.

Rev. Jeana has shared that the Chicago Christian Community is fed by the agricultural locations of some of its affiliates. We are eager to explore what new possibilities might grow from our new home base.

Please note that the Studio room is accessible only by a flight of stairs, however, we plan to hold our Community Meal and Child Care on the first floor of the center pharmacy building. Transitions take time; we welcome your help and understanding as we adjust.

Location Details

Uriel Pharmacy has 2 parking lots. The 2nd one, coming from Hwy 20, is closer to the Studio. Use caution on Stermann Road and when turning back onto Hwy 20 due to the blind spots caused by the hills.

The service will be held in the Studio (community room) on the second floor of the northernmost building. Follow the sidewalk along the back of the farmhouse to an entrance. Go up the stairs. The room is currently not handicapped accessible. If you need assistance, please ask.
