

**Welcome to
The Christian Community Movement for Religious Renewal**

With so much pain and loneliness in our hearts and in the world it's hard to know and experience the unconditional love of God. God holds us every minute of every day. God waits patiently for us to turn and ask for help.

Through prayer and study of the gospels we can develop a relationship with Christ Jesus, the teacher and bearer of unconditional love.

Prayer and study groups are forming in your area! Join us in our exploration of prayer and the gospels, that the door of our hearts may be opened, and the Spirit may shine light into our brokenness.
