

## **The Christian Community in Southeast Wisconsin Affiliate of The Chicago Christian Community.**

The Christian Community in Southeast Wisconsin meets in East Troy, at the invitation of Mark and Pauline McKibben, in the Community Room at Uriel Pharmacy (N8464 Sterman Road).

Rev. Jeana has shared that the Chicago Christian Community is fed by the agricultural locations of some of its affiliates.

Please note that the Community Room is accessible only by a flight of stairs. However, we have our Community Meal and Child Care on the first floor of the center pharmacy building.

Location Details

Uriel Pharmacy has two parking lots. The second one, coming from Hwy 20, is closer to the Studio building. Use caution on Stermann Road and when turning back onto Hwy 20 due to the blind spots caused by the hills. The service will be held in the Studio (Community Room) on the second floor of the north building from the second parking lot. Follow the sidewalk along the back (east side) of the farmhouse to the first door. Go up the stairs. Child care and Community Meal will be held in the Central Room on the first floor of the center Pharmacy Building.
